

2nd January 2026

To

The Principal / Head of the Institution

Respected Sir / Madam,

Subject: Invitation to Participate in National Voters' Day Debate on Sustainable Development Goals

Let's Vote, an **apolitical and non-profit civic society organisation** dedicated to strengthening civic awareness, democratic participation, and constitutional literacy, is organizing a **student debate on the SDGs** that will culminate in a **policy recommendation to the Hon'ble Governor of Telangana** on the occasion of **National Voters' Day** (25 January).

The program aims to bring together students from **Law, Medical, Engineering, Degree / Arts & Science Colleges** to engage in constructive and interdisciplinary dialogue on issues of national importance. The discussions will focus on the following three Sustainable Development Goals:

1. **Good Health and Well-being (SDG 3)**
2. **Quality Education (SDG 4)**
3. **Industry, Innovation and Infrastructure (SDG 9)**

The objective of this debate is not only to encourage informed civic participation among young voters but also to **derive youth-led policy recommendations**, which will be compiled and submitted to the **Hon'ble Governor** as a reflection of youth perspectives on sustainable governance.

We kindly request your institution to nominate 4 to 6 (at-least 1 female) students to participate in this event. Detailed guidelines regarding the format, schedule, and nomination process will be shared upon confirmation of participation.

We believe that your students' participation will greatly enrich the deliberations and contribute meaningfully to this democratic initiative.

We look forward to your positive response and valuable participation.
